The people of the city (اهل المدينة)

The word " **اهل المدينة**" is mentioned only in two Suras(9 and 15).This word means " The people of the city ".

[٩:١٢٠] ما كان لاهل المدينة ومن حولهم من الاعراب ان يتخلفوا عن رسول الله ولا يرغبوا بانفسهم عن نفسه ذلك بانهم لا يصيبهم ظما ولا نصب ولا مخمصة في سبيل الله ولا يطءون موطئا يغيظ الكفار ولا ينالون من عدو نيلا الا كتب لهم به عمل صلح ان الله لا يضيع اجر المحسنين

 [٩:١٢٠]Neither the dwellers of the city, nor the Arabs around them, shall seek to stay behind the messenger of GOD (when he mobilizes for war). Nor shall they give priority to their own affairs over supporting him. This is because they do not suffer any thirst, or any effort, or hunger in the cause of GOD, or take a single step that enrages the disbelievers, or inflict any hardship upon the enemy, without having it written down for them as a credit. GOD never fails to recompense those who work righteousness.

[١٥:٦٧] وجاء اهل المدينة يستبشرون
 [١٥:٦٧]The people of the city came joyfully.

Unfortunately **19** year after death of prophet Mohamad two verses added to sura 9. This two verses contradict many remarkable points of Quran.Birth date of prophet Mohamad was Year 570(19*30) and the main Quran (that was written by prophet mohamad hand) destructed in year 684(19*36) by Omavy leader Marvan Ben Hakam.Fortunately the purified Quran was Showed to us by Rashad khalifa and Now the purified and main Quran (99.9 %) is under hand.The word اهل المدينة is mentioned in two suras (sura 9 and 15).Two false verses added in city medina.Now we study this pattern.

Consider all verses between 9:120 and 15:67. In such state we have 513(19*27) verses.Is it coincidence?This matter Show us that the two fasle verses (9:128,129) isn't from Quran.

2. Count of verses between 9:120 and 15:67 that have word GOD

Consider all verses between 9:120 and 15:67 That have word God (الله). In such state we have $171(19*9)$ verses. Is it coincidence? This matter Show us again that the two fasle verses (9:128,129) isn't from Quran.
